

# **Congressman Wolf Invites You To Town Meetings in February**

Town meetings will be held throughout the 10<sup>th</sup> District in February. These sessions provide the opportunity to listen to your views and also a time for us to share concerns, exchange ideas, and discuss any problems you may be having with the federal government. Meeting with and listening to the people of the district are among the most important parts of my job as your representative in Congress.

Please join us at any of the following meetings most convenient for you:
